[1] Data for 1982 to 2000 were revised in 2003 to take account of final census-based population estimates for 2001.

[2] Includes movements to/from armed forces and an adjustment for a recurring unattributable population change based on the 2001 Census, which is assumed to be unmeasured migration.

[3] Includes changes in the number of prisoners and armed forces stationed in Scotland.
