

**Table 8 - Death Registration 'other' ethnicity and census ethnicity**

Death Registration records 2012 to 2014 and census records for which all of the following conditions apply:

- (a) an 'other' ethnicity was specified when the death was registered, so a description of the deceased's ethnicity was typed into the Death Registration system
- (b) high quality of match of death registration data to population spine
- (c) high quality of match of census data to population spine
- (d) ethnicity information was obtained from the census (without imputation)
- (e) the death was registered by the deceased's spouse/partner, parent, child or sibling
- (f) at least five such deaths had that 'other' ethnic group specified in the death registration record.
